Introduction of the Event:

The Department of Library, Tulaskar College of Pharmacy, Hinganghat, organized a special celebration on the occasion of the birth anniversary of Padma Shri Dr. S. R. Ranganathan, celebrated across India as National Librarian's Day, on 12 August 2026 at 3:30 PM at the Department of Library. The event was organized to commemorate the remarkable contributions of Dr. S. R. Ranganathan, who is widely regarded as the Father of Library Science in India.

Dr. S. R. Ranganathan made significant contributions to the development and modernization of library science and promoted the idea that libraries should serve as dynamic centers of knowledge, education, and lifelong learning. His famous Five Laws of Library Science continue to guide library professionals and emphasize the importance of making books and information easily accessible to users.

The celebration aimed to create awareness among students and faculty members about the importance of libraries, reading habits, information resources, and the evolving role of librarians in the digital era. The programme was graced by Dr. Mahendra Gunde, Principal; Dr. Umesh Telrandhe; Prof. Pradip Raghatate; Prof. Sukanya Kharbade; and Mr. Harshal Kore, College Librarian. A total of 38 students and 24 faculty members actively participated in the programme, making the event meaningful and successful.

Objective of the event:

- To honor the legacy of Dr. S. R. Ranganathan, the Father of Library Science in India, by highlighting his valuable contributions to Library and Information Science.
- To recognize and celebrate the significant role of the Pharmacy College Library and librarians in supporting teaching, learning, research, and professional development in the field of pharmacy.
- To create awareness among students and faculty about the importance of the library as a center for accessing pharmaceutical literature, scientific information, e-resources, and research materials.
- To encourage the effective use of modern library technologies, digital resources, databases, and innovative services to enhance information access and improve user support for pharmacy education and research.

Photographs:

Outcomes:

1. To enhance students' awareness and effective use of pharmaceutical books, journals, e-resources, and other scholarly information available through the library.
2. To develop information literacy and research skills among students and faculty for locating, evaluating, and using reliable scientific and pharmaceutical information.
3. To promote reading habits, self-learning, and continuous professional development among pharmacy students through effective utilization of library services and resources.

Outcomes:

1. To enhance students' awareness and effective use of pharmaceutical books, journals, e-resources, and other scholarly information available through the library.
2. To develop information literacy and research skills among students and faculty for locating, evaluating, and using reliable scientific and pharmaceutical information.
3. To promote reading habits, self-learning, and continuous professional development among pharmacy students through effective utilization of library services and resources.
4. To encourage the use of digital library facilities and emerging technologies to support innovative teaching, learning, research, and evidence-based pharmacy practice.

Any Suggestion for future Improvement:

1. Library Treasure Hunt Organize a fun activity where students find specific books, journals, or information using library resources.
2. One Student, One Book Initiative Encourage every student to select and read at least one book from the library during the celebration.
3. My Favourite Book Wall Create a display where students write the name of their favourite book and a short reason for recommending it.
4. Library of the Future Ideas Corner Invite students to share creative ideas about how they would like to see the library improved in the future.
